**ATTENTION: VANI CHATTY: MANAGER: EVALUATION AND ACCREDITATION – FET COLLEGES**

Dear Vani

**RE: ACCREDITION OF XYNAMIX TRAINING & CONSULTING (PTY) LTD**

Fasset's (SETA for Finance, Accounting, Management Consulting and Other Financial Services) ETQA department makes use of the Quality Assurance Partner (QAP) model, in our interactions with Professional Bodies.

Fasset devolves the process of accreditation but retains the responsibility for verification and certification. QAPs are accredited for a five year period. They are monitored on a yearly basis and audited in their fourth year, with a view to re-accreditation.

In terms of the QAP model, Fasset accredits Professional Bodies with respect to the processes that they use to accredit their tuition providers and workplace providers. As a result, Fasset accepts the Professional Body's accreditation of its tuition providers and workplaces and registers them on our database. Consequently provider accreditation end and start date may differ from qualification to qualification.

In this instance, Xynamix Training & Consulting (Pty) Ltd is an accredited provider for the Institute of Certified Bookkeepers (ICB), whose accreditation with Fasset is as follows:

- QAP accreditation number QAP/585/003
- Accreditation expiry date 31/03/2015)

The ICB qualifications for which Xynamix Training & Consulting (Pty) Ltd is accredited are the following:

SAQA ID	Name
58375	National Certificate: Bookkeeping
58376	FET Certificate: Bookkeeping

Xynamix Training & Consulting (Pty) Ltd is listed on Fasset's database as an accredited provider as follows:

Provider number: 1561  
 Start date: 02 July 2011  
 End date: 02 June 2016

Please note that accreditation for QAP qualifications is based on the QAPs rules and thus accreditation could expire before the Fasset date. If the provider is only accredited for QAP qualifications, their expiry dates will stand.

We trust that the information provided is sufficient. Should further information be required, please do not hesitate to contact me.
